2. Handicap

- Each competitor's entry details must include their **CURRENT** handicap rating, verified by the club recorder.
- Any entry received without a verified handicap rating will be given a handicap allowance of ZERO. ie the archers 'off the bow' score will be used to determine their position in the relevant division.

3. Achievement Badges

For Recurve & Compound 800, 850, 900, 950 & 1000 achievement badges are offered.

For Longbow & Barebow 400, 500, 600, 700 & 800 achievement badges are offered.

Archers who achieve a qualifying 'off the bow' score, in their allotted (or longer) round, will be awarded an achievement badge, subject to the conditions in the following clauses.

- The relevant achievement badge will be that which is the closest badge value equal to or below the archers 'off the bow' score. ie a score of 863 will earn the archer an 850 achievement badge; a score of 949 will earn the archer a 900 achievement badge, etc.
- To receive an achievement award the badge value so achieved must be '**greater than**' any Sorrento Tournament achievement badge awarded to the archer to date. A register log is available (see attached) showing the highest value achievement badge awarded to each eligible archer since the first Sorrento Tournament held in 2006.
- After consideration of 3 (a) & (b) an eligible competitor is entitled to receive one 'free' achievement badge per tournament. Any lesser value badges that the archers 'off the bow' score qualifies them for can be ordered from the organisers at a cost of \$6.00 each. ie if an archer shoots an 'off the bow' score of 910 they may be awarded a complimentary 900 achievement badge & the archer may elect to purchase the 800 and 850 badges to make up the set to their achieved level.

4. 1000 Trophy

Any archer who achieves an 'off the bow' score of 1000 or higher in their allotted (or longer) round may have their details and club logo added to the Sorrento 1000 perpetual trophy in recognition of this achievement provided that their 1000+ score achieved this year is greater in value than any 1000+ score achieved by that archer at any previous Sorrento Tournament.

The register mentioned in 3 (b) above also includes details of past 1000+ scores for reference purposes.

The Sorrento 1000 trophy (rear) and examples of the Division trophies & achievement badges.
