

State Team

Selection Criteria

To be considered for selection for Youth State Team or Senior State Team applicants must meet the following criteria.

- Applicants need to be active members at events held in WA and be financial members of Archery WA and an affiliated WA Club.
- Any division (bow type) will be eligible for selection to the State Team. The Youth Team includes U14, U16, U18 and U21 classes and the Senior Team includes Open, 50+, 60+ and 70+ classes. At the discretion of the Selection Panel, archers who are in the U14, U16, U18 and U21 classes may be included in the Senior State Team.
- Submission of qualifying scores of 2 x target scores and 1 x field score for Field Teams and 3 x target scores for Target Teams are required to be submitted by the closing date, to the AWA Development Officer. These scores must have been shot within the last 12 months.
- For Senior State Team
 - The qualifying scores have to meet a minimum Red classification.
 - Scores can be shot at QREs (maximum of 2), State Tournaments, Interstate Tournaments, or International Tournaments. No club scores are permitted.
- For Junior State Team
 - The qualifying scores have to meet a minimum Red classification if shot at QRE's (no maximum), State Tournaments, Interstate Tournaments, or International Tournaments.
 - The qualifying scores have to meet a minimum Gold classification if shot at a club event (maximum of 2) held under Archery Australia shooting conditions.
- Top 4 people will be placed into the team, any division with more than 4 archers applying reserves may be considered.
- The Executive Committee will appoint 3 people to the selection panel. This will include the State Recorder, Development Officer and one other.
- The teams will be selected 3 months prior to the event where possible.

- Team Members will receive a reimbursement* for the entry fee and a State Team uniform as appropriate.
- Once selected, team members will commit to any training that is required from the Selection Committee, Appointed Coaches and/or Team Managers. Failure to comply with this policy is grounds for removal from the State Team at the discretion of the Selection Panel.

*Reimbursement is only valid if the athlete competes at the event.
